## Call for Tenders Advanced Search

### EPPS0906

#### Purpose

The advanced search is a facility to enable searches against tender opportunities advertised by the Contracting Authorities registered on the e-Tendering platform.

Please contact the e-PPS Helpdesk for any technical issues. Although note that particular questions regarding the actual tender process, specifications or points of clarification should be made directly to the relevant Contracting Authority as they cannot be addressed by the helpdesk personnel.

#### Procedure

- Select the "Advanced Search" button

The screenshot shows the e-PPS homepage dashboard. At the top, there is a search bar with a dropdown menu set to 'Select' and a search button. To the right of the search bar is a red arrow pointing to a button labeled 'View current opportunities' with a magnifying glass icon. On the left, there is a sidebar with a 'Log in' section showing the user is logged in as 'sup1 sup1 (Economic Operator Admin) - Energy Dynamics'. Below this, it shows the last login on '11/05/2015 - 16:39:35' and links for 'Edit Profile', 'User Homepage', and 'Log out'. The main content area is titled 'Homepage dashboard' and contains a 'List of Tasks' table. The table has columns for 'CIT Title', 'Resource ID', and 'Task'. It lists four tasks: 'CIT Machinery' (Resource ID 47816, Task 'Reply to contract award'), 'tenders bidder report - w/ lots' (Resource ID 47031, Task 'Reply to contract award'), '2nd Version - Feb 13 - Open - InclRel' (Resource ID 42719, Task 'Reply to contract award'), and 'cft-simplified-nn-lots-online-1' (Resource ID 12381, Task 'Reply to contract award'). At the bottom of the table, it says 'Displaying all 4 matches.' and 'Page 1 of 1' with navigation icons.
