EPPS0907 - DOWNLOADING TENDER DOCUMENTS

VERSION 2.0 – 05/15

Downloading Tender Documents

EPPS0907

Purpose

Suppliers can download and view project documents for any tenders that are held on the e-Tendering system. These can be used by suppliers to decide whether or not to bid for an opportunity and also should be downloaded to read prior to submitting a tender response.

The tender documents usually contain the terms and conditions, specification, supporting documents and instructions for tenderers.

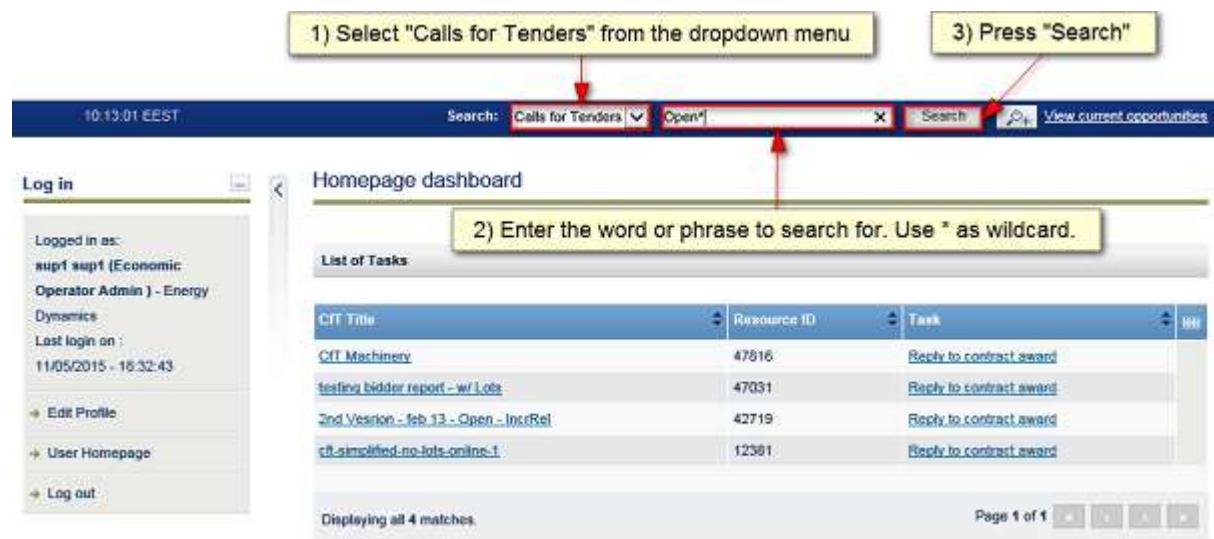

This guide shows how to download and view the documents from the documents section of the call for tender workspace.

Please contact the e-PPS Helpdesk for any technical issues. Although note that particular questions regarding the actual tender process, specifications or points of clarification should be made directly to the relevant Contracting Authority.

Procedure

First of all, please use the search in order to locate the tender on the e-Tendering system.

- Select "Calls for Tenders" from the dropdown list.
- Provide a word or phrase to search for and click on the "Search" button.

The screenshot shows the e-PPS homepage dashboard. On the left, there is a sidebar with a 'Log in' button and user information: 'Logged in as: sup1 sup1 (Economic Operator Admin) - Energy', 'Last login on: 11/05/2015 - 16:32:43', and links for 'Edit Profile', 'User Homepage', and 'Log out'. The main area is titled 'Homepage dashboard' and contains a 'List of Tasks' table. The table has columns for 'CIT Title', 'Resource ID', and 'Task'. The data in the table is as follows:

CIT Title	Resource ID	Task
CIT Machinery	47816	Reply to contract award
testing bidder report - w/ Lots	47031	Reply to contract award
2nd Version - Feb 13 - Open - InclRel	42719	Reply to contract award
cit-simplified-no-lots-online-1	12381	Reply to contract award

At the top of the page, there is a search bar with the placeholder 'Search: Calls for Tenders' and an 'Open*' dropdown. To the right of the search bar are buttons for 'Search' (with a magnifying glass icon) and 'View current opportunities'. Three callout boxes with arrows point to these elements:

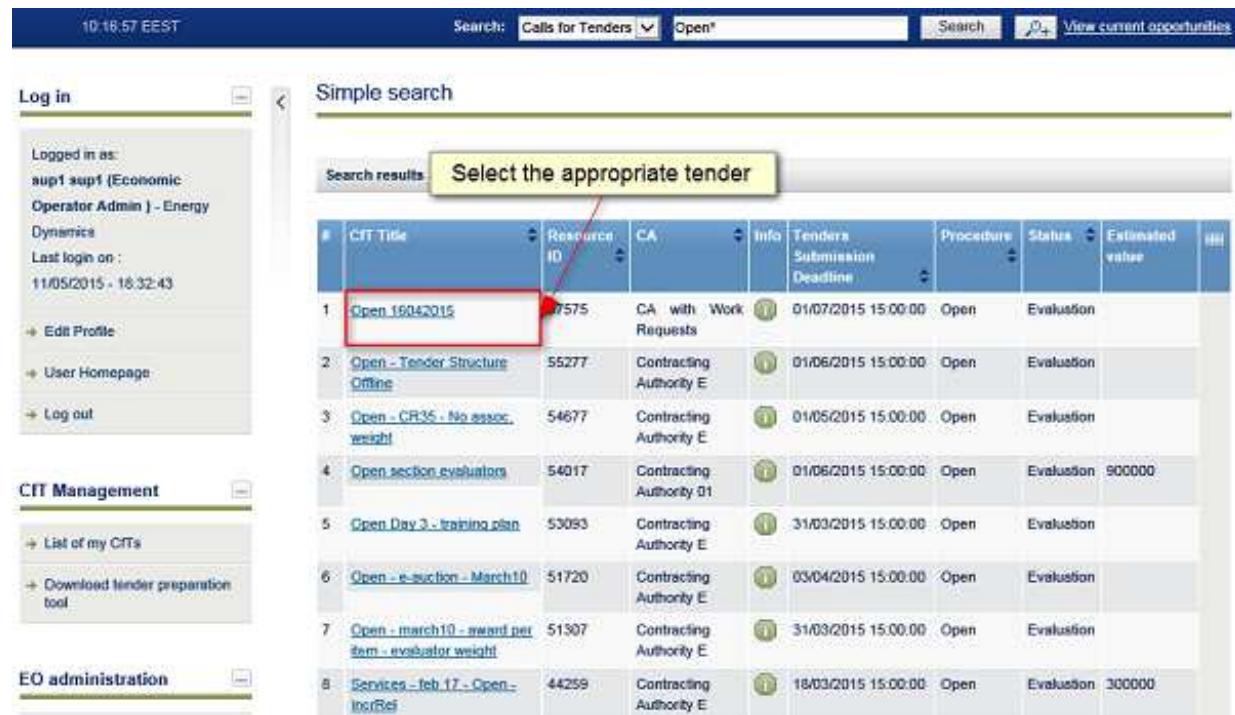

- 1) Select "Calls for Tenders" from the dropdown menu (points to the 'Calls for Tenders' in the search bar).
- 2) Enter the word or phrase to search for. Use * as wildcard. (points to the search bar).
- 3) Press "Search" (points to the 'Search' button).

Please check the user guide "EPPS0906 - Call for Tenders Advanced Search" for

further information on more search options available to suppliers.

Then, select the tender by clicking on the "CfT Title" link.

Although some of the tender options are made available as the tender process progress, the "CfT Documents" option, for downloading associated tender documents, will be available throughout all the tender process.

- Select the "CfT Documents" section

The screenshot shows the e-Sourcing interface. On the left, there is a sidebar with 'Log in' and 'CfT Management' sections. The 'CfT Management' section contains 'List of my CfTs' and 'Download tender preparation tool'. The main area is titled 'Notice & Contract Documents' and shows a 'Contract Document List' for 'CfT Open 16042015'. A dropdown menu is open on the right, listing 'CfT core information', 'CfT documents' (which is highlighted with a red box and a red arrow), 'Clarifications', 'Tender', 'Specify Alerts', 'Automated notifications', and 'View CfT correspondence'. At the bottom right of the main area, there is a 'Download Zip file' button.

The system displays now the "Contract Documents" section, as shown in the below screenshot. Please note that this section is populated by the Tender Coordinator (PO/TC). Hence, if you feel that there are missing documents or you have inquiries about how to fill in or read the documents attached in this section, please utilise the online Clarification facility to address your queries directly to the Tender Coordinator.

- Click on "Download Zip file" to download all tender documents into a single file.

Please note that every tender opportunity includes by default a file called "Tender Structure XML". It is NOT necessary to download and use this file, unless you decide to submit a Tender on the system using the "offline Tender preparation" functionality, which is not described here. For online tender submission this particular file is not needed, please ignore it.

Association with CfT

The eTendering system supports automated notifications to keep associated users up to date with all CfT advances. These comprise the publication of new Notices, Addenda, Corrigenda, Clarifications, while there are also notifications for informing associated users about approaching important dates of the CfT. Please select a type of association for this CfT.

You will be able to individually manage the list of users of your organisation with the CfT, through the new "Manage associations" tab in the CfT workspace.

Type of association

1. Associate all users of my Economic Operator with this CfT

2. Associate only myself with this CfT

Select

- Select whether to express your interest in the tender by selecting one option from the "Type of association"

- Click on the "Select" button

The system makes now available the contract documents for download.

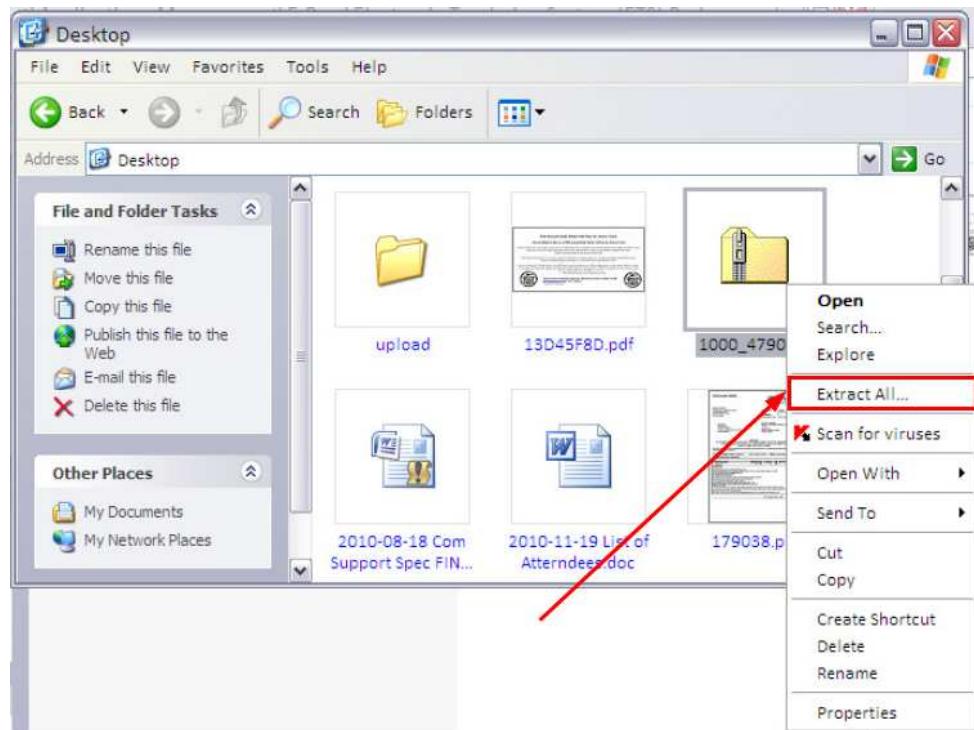

- Select "Save" and click "OK" to download the file to your PC

Please note that when download all tender documents (click on the "Download Zip file" button), the e-Tendering system compresses all documents into a single, compressed file.

In order to extract files or folders from a compressed folder

- Open My Computer, and then locate the compressed folder that you want to extract files or folders from.
- Do one of the following:
 - To extract a single file or folder, double-click the compressed folder to open it. Then, drag the file or folder from the compressed folder to a new location.
 - To extract the entire contents of the compressed folder, **right-click the folder**, click Extract All, and then follow the instructions
